You tell us:

As we all know, COVID has been a disconnecting time for us all and we all need help to reconnect with our community. So Lalor Living & Learning Centre is here to help us all reconnect. Simple ways we can do that is by joining or running a group, sharing a skill or interest or volunteering. So that is just what we want to do. For starters, we want to offer conversational English and story-telling, a knitting group, a painting group for budding artists. Next we want to find out more about what you might like to learn or share with others. It could be gardening, cooking, a walking group, traditional craft or to learn a language or something completely different. There are a few ways to get involved.
